
YOUNG EALING FOUNDATION MEMBERSHIP

The Young Ealing Foundation is a local membership charity funded by John Lyon's Charity to ensure that the organisations and groups that provide services for Children and Young people aged 0 – 25 in Ealing are strong, sustainable and flourishing. Membership is open to any organisations that are working with this community in the London Borough of Ealing, and who are committed to our values. Organisations of any size can be members. We will tailor support to the individual members. We do not deliver direct services to Children and Young People.

We are a brand new charity and this is an exciting time for us. As founding Members, you will be a vital part in helping us shape and define our offer. You will give us plenty of feedback about what is helpful and where we can support in order to ensure we use our resources as well as we can in the future.
